<input type="checkbox"/> Portal / SSO Partners	<input checked="" type="checkbox"/> Engine Partners	<input type="checkbox"/> Affiliates
--	---	-------------------------------------

It is recommended that you carefully review these release notes to gain a comprehensive understanding of the changes in this release and their potential impact on your specific workflows. While we conduct rigorous testing, we recommend that you test your specific integration and workflows prior to production deployment.

Incident Fixes

Incident	Functionality Impacted	Description
INTRX-2941	Pharmacy	Issue: Some pharmacies were repeatedly showing in the results of the update_pharmacy API when no changes were made to the pharmacy data. Resolution: The update_pharmacy API will provide only updated pharmacy data.
